Mur Ac	Viscum Album	Phytolacca		Vipera		
Podophyllum						
Sabadilla						
Spongia						

Missing remedies

Some remedies have been dropped from the original Appearance and Circumstance list and/or online updates. This is because they have not showed reproducible results over time. Test them under any miasm. Feedback (with case and facial details) would be appreciated.

Remedies we are particularly interested in....

- Ant Tart – red or purple?
- Cocculus
- Kali Bich
