

HFA ONLINE COURSE - FREQUENTLY ASKED QUESTIONS

What is the nature of the course?

The course is a specialist course suited to students or practitioners of homeopathy, naturopathy or other alternative modalities who want to learn the Homeopathic Facial Analysis method as well as a review of homeopathic principles and their clinical application. If you have a basic knowledge of homeopathy, this course can still be studied – [contact the college](#) to discuss

When does the live course commence?

The live course was completed in 2011 – you are viewing details of the 21-week course which is now in recorded format. See vcch.org – training for details of current live course options.

Can I view the course at my own pace?

Yes, you can view the classes (recorded) at anytime.

Are there any exams?

No, the course is a self learning package. Some modules have self tests.

Will I receive a certificate?

Once the course is completed each participant will receive a letter of completion. A full printed certificate of attendance will be issued and forwarded (where requested) for \$30 AUD plus postage. Where students do not attend live classes but only view recorded classes they must contact the college once they have finished the course to receive their letter of completion or certificate.

Is the course accredited?

No, the course is run by the Victorian College of Classical Homœopathy – a private homeopathic college that has been running in Melbourne, Australia since 1989. The course is a specialist course designed for both students and practitioners. The course should be accepted by homeopathic associations for professional development points on submission of the course certificate and in some cases will be accepted for clinical training by your current college. Contact the college (see our contact us page) for information to pass on to your college or association where requested. The course is accepted by Aroh and CHC for ongoing training and professional development points.

Does the college only accept homeopaths to the course?

HFA is a new way of looking at and using homeopathy, so it is suited to all levels of student. The course is suited to students of homeopathy, practitioners of homeopathy, self-trained homeopaths, naturopaths and kinesiologists with some homeopathic training. The college accepts all these groups but please contact the college through our contact page, if you don't meet these criteria to discuss your suitability.

Is the course just the classes?

The course comprises the classes plus information on the HFA training website. The site offers 400 pages of notes, essays, a facial analysis self learning guide, facial analysis sketches and photos, self tests and cases (video and paper)

Can I ask questions about the course?

Yes, you can ask questions by using the student HFA forum. Check questions from other students too.

I have never done online training before – will there be help in how to access the recorded classes?

Yes, VCCH offers technical support for all aspects of the course – this is included in the price of the course – accessing the training site and viewing recorded classes and cases. You can contact us by email at anytime – we try to get your problems sorted out within 1-3 days. (Most participants experience little or no problems, but this is dependent on your computer system)

What type of computer and system do I need to participate?

- 256 MB of free RAM
- 20 MB free disk space
- 28.8 kbps Internet connection
- Speaker and Microphone, headsets are preferred

Computer system requirements

<http://www.vcch.org/downloads/technical-requirements.pdf>

How much does the course cost?

The full recorded course (six modules) is \$650AUD

Are the currency examples fixed prices?

No each day the world currency values fluctuate. To check how much the Australian dollar amount will cost you for that particular day please check www.xe.com/ucc/ against your currency. VCCH process the payment within 1- 3 business days of receiving your application/order. This may account for slight variances during that time. The Australian dollar varies around ten percent each year, so the price examples are average examples.

Is there a refund policy?

Yes, if you are unhappy with the course within 14 days after purchase (2011 recorded) you will be given a full refund. You must make your request in writing ([contact us](#)) to the college.

Can I purchase just the one or a few modules?

Yes, please [contact the college](#) if you only wish to purchase one or a few modules of the course

What is the benefit of purchasing the whole course?

HFA is an integrated system based on facial analysis. It comprises new ways of looking at miasms, how to read the face, how to take a case using simple and effective techniques, easy case analysis and simple repertorisation, posology based on energy principles and tips on case management. The final module (Soul & Survival) is an in-depth look at the philosophy behind the model. Each module builds on the preceding module, so we recommend doing the complete course for the greatest understanding and ability to use the HFA model with clinical success.

I cannot afford the course due to the economy of my country or my personal circumstances – does the college offer any assistance?

The college does offer further discounts, subsidised books and in some cases free places on the course. Please [contact the college](#) for a submission form. VCCH will fully or partially subsidise the course for homeopaths in third world countries or those who run free clinics to poor communities, if they meet submission criteria.

Do I need books?

Yes, you must purchase the two HFA books – *Appearance and Circumstance* and *Homœopathic Facial Analysis*. Books can be purchased from the college or through your local homeopathic book supplier. Most students choose to purchase *Soul & Survival* too – this book explains the philosophy behind the system and can be shared with or sold to your patients.

<http://www.vcch.org/book.html>

How long do I have access to the course for?

Your purchase price includes access to the course for 8 months from the point of purchase. This allows for the 21 weeks of classes. We cannot provide indefinite technical support and every video within the course you access costs the college, so we have to make access for a finite period. However, should you wish to access for longer than this period the college can arrange for a small charge.

Can I download the classes to my computer?

No, the classes are streamed from a website and cannot be downloaded. Classes contain private patient cases which cannot be copied and shared. It is part of your agreement as a student not to share any part or the entire course with others - in particular to respect the privacy of patients.

Can I have a copy of the power point presentations?

No, these presentations contain private patient cases and are only viewable through recorded classes streamed from a website.

How long does it take to learn how to be accomplished at facial analysis?

Everyone learns at a different pace but on average once you have tested your skills on 20-50 patients you will be competent.

Is there a forum?

Yes, the HFA training site has a forum where online students can speak with each other, share experiences and ask questions.

Are there any other resources?

Yes, see the following

- **Study groups** - some students have formed online photo share groups which have proved valuable in their group learning.
- **Facial analysis service** - the college offers a facial analysis service at low cost (one set of photos = \$30 AUD)
- **Extra classes** - there are special classes held after the course in facial analysis where requested.
- **Individual tuition** - where Grant has available time he offers individual tuition at \$120 AUD per hour through the live classroom. Students provide their own photos and have an hour session with Grant which is recorded for their use only.
- **Case support** – students can have individual cases analysed (facial analysis and case analysis) from \$40AUD for a basic service to \$100 AUD (including some basic case management)
- **Is there any software available?**
Yes, the professional facial analysis wizard is available to help with learning – the program costs \$220AUD and there is a free 10 day trial period

The latest version of the wizard can be downloaded from
<https://www.soulandssurvival.org/wizard/download>

An instructional video is available at
<http://soulandssurvival.org/wizard//video>

A free basic version of this software is available online at
